

Ten Great Benefits of Being a Vintage Tablecloth Lovers Club Member

10. You can't pick your family members but you can have a tablecloth family! Our friendship room is a great place for friendly chatter with people who understand your obsession.

9. We are the only cure for TTD, Tactile Textile Disorder. A little known syndrome characterized by the uncontrollable urges to acquire and hoard vintage tablecloths, tea towels, hankies, and other textiles for the purpose of petting them.

8. If Heloise does not have the hint we do! Club members share the best advice on cleaning and storing vintage linens.

7. Our club members have more shops than a mall. Great links to a variety of sellers on various sites!

6. Our "village" even has its' own library! Links to many great books and articles on vintage tablecloths.

5. We have more contests and games than the Price is Right! Our table setting contests are great fun and have fabulous vintage prizes.

4. For hours of entertainment the club database has more than 1,500 tablecloths identified by manufacturer and pattern.

3. Desire intellectual tablecloth conversation? Our club forum is always discussing great topics like vintage tablecloths made for vintage china patterns!

2. You get to pick our brains! The wealth of knowledge that is shared within the club is amazing. Have a cloth you want to know more about? Post a photo and see what happens!

1. You will realize you are not a hoarder! There are people who have more tablecloths than you. Though membership may increase your level of addiction.
